#### **Styling Advice From £150**

You may have an idea of your theme or already invested in props for your chosen venue. However, planning a wedding is a minefield and ensuring your theme works and your ideas are put into action, sometimes it's useful to have expert advice from an experienced stylist. We are here to help you tie up loose ends and ensure your ideas work. We will visit the venue and with our styling knowledge, draw up a plan of decoration based on your theme, budget and wishes. The plan will be detailed, encompassing the rooms and outside space available to you and will list items to enhance the space with costings for each item.

#### **On The Day Styling From £200**

The morning of your wedding should be spent relaxing, having your hair and make-up done and preparing for the most treasured day of your life. So, leave the decorating of the venue in our capable hands! With the agreed decoration plan and all the props with us, we will arrive at the venue nice and early to co-ordinate with your chosen suppliers in creating a magical, vintage inspired space for you and your guests to enjoy. Props and accessories you may have made, bought or hired from other suppliers can be dropped off with us so that you can relax knowing everything has been taken care of. When the celebrations are completed we will tiptoe back to the venue the following morning to carefully pack away all of your props and ensure they are either taken home with us or left for other suppliers to collect.

#### **Vintage China and Props**

We have a huge range of vintage china and props for you to choose from and the price list for this can be seen on our website. We are constantly adding items that we come across, so do keep checking this price list. If you can't see something on there that you'd like, please ask! If we don't have it, we could know someone who does and is a tried and trusted supplier. We do work very closely with suppliers in our area and are committed to supporting small, local businesses. We are surrounded by some amazingly talented and creative individuals who are as passionate as we are about creating your perfect day.

If you are planning a vintage inspired celebration near to us, then please contact us, we would be delighted to hear from you!
